Workforce Hospitality and Relocatable Structures

Everything you need to ensure your team's productivity on site.

OPTIMIZE YOUR OPERATION

Your crews face some of the most demanding working conditions imaginable. That's why we believe providing a comfortable, safe, friendly, home away from home is critical to your operation; it helps drive peak performance and productivity for your team in whatever industry you work:

- Energy
- Mining
- Pipeline
- Powerline construction
- Infrastructure
- Exploration
- Municipalities
- Large scale EPC projects

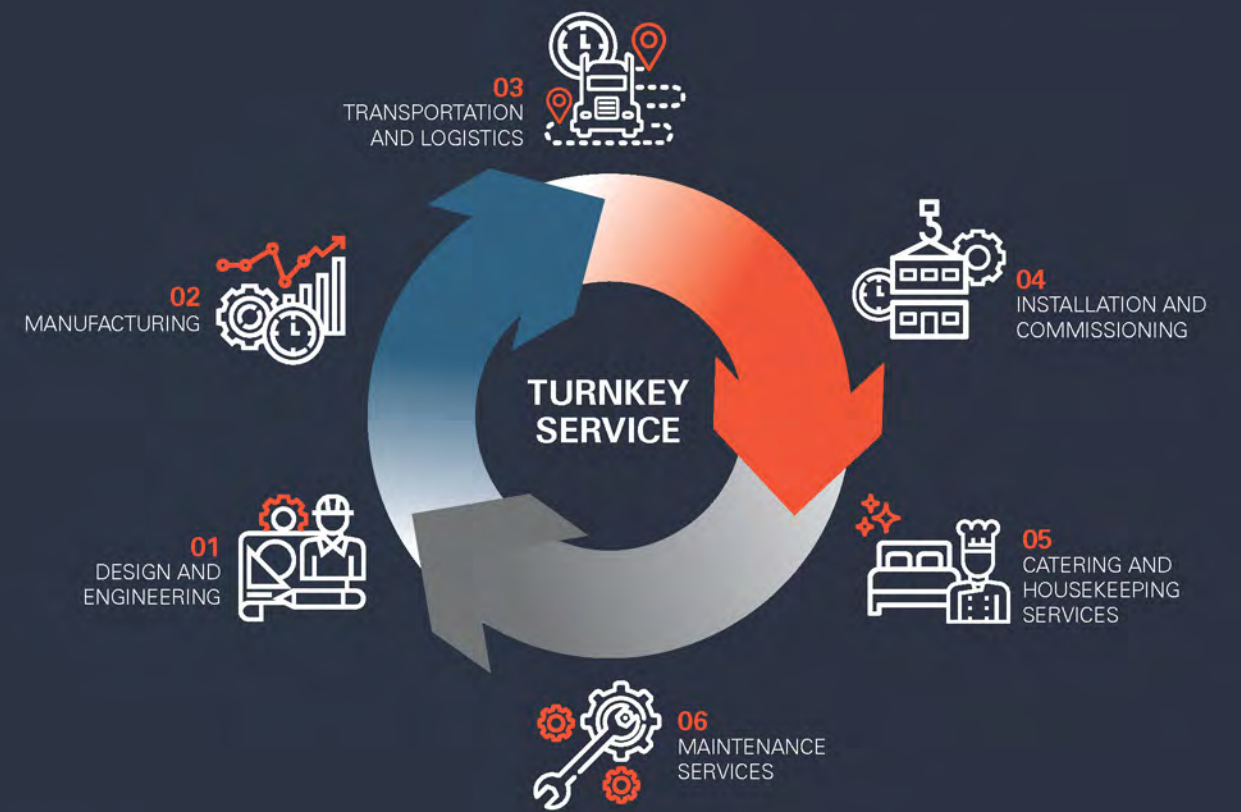

Operate and complete projects comfortably.

We leverage our regional expertise and relationships to enable companies to operate and complete projects comfortably in remote areas and provide a seamless, enjoyable experience for their employees and contractors. Our breadth of experience and our track record are unmatched.

LEGEND

- Company Offices
- Horizon North Open Lodges
- Customer Facilities

We are wherever you want us to be. We have the experience and regional knowledge to provide more value and better service.

HOME GROWN PRIDE, GLOBAL VISION

Our pioneering model of providing diverse, integrated hospitality solutions, amenities, ancillary infrastructure and high-quality service has led the way for Horizon North to become the pre-eminent workforce housing provider in Canada. We bring an unmatched, home-grown level of customer service to every project.

From Dedicated Facilities like Construction, Drill and Pipeline Camps to Open Lodges, our diverse range of workforce hospitality services is tailored to what you need to accomplish out of your worksite.

Our experience and expertise enable us to provide you with turn-key hospitality programs on time and on budget no matter what your employees and contractors need.

Anticipating all the details.

Successful remote projects are all about the details. Managing those details is our specialty. Informed by your objectives, obstacles and risks, we develop a strategic plan, timeline and budget and get to work. We check all the boxes and you enjoy a seamless, tailored experience.

DO THINGS RIGHT. DO THE RIGHT THINGS.

Service is in everything we do.

Our understanding of the vital elements impacting your operation is unmatched, and we apply our knowledge to deliver the best possible infrastructure and services to you and your project. Our team of experts will work with you to optimize your budget, reduce execution time and enable performance and productivity.

You will benefit from our highly detailed, tailored and seamless project implementation process. We bring industry best practices from the extensive number of work camp projects we have implemented. Our approach considers:

- Your organizational / operational objectives
- Key issues and opportunities
- Obstacles and risks
- Implementation challenges and timelines
- Budget

Quality food is top of mind.

Food quality can single-handedly make or break a remote accommodations experience. It is often cited as the single most important aspect for guests at a lodge. We take that to heart, providing nutritious and savoury options that keep our guests wanting more.

Dynamic menu selections and healthy meals that help guests recharge.

HIGH QUALITY, NUTRITIOUS MEAL PROGRAMS

The sky's the limit when it comes to the menu selections for your camp. Our Red Seal Certified Chefs take great pride in serving up mouth-watering, nutritious meals for your crews.

From made-to-order breakfast options to take-away bagged lunches and delicious evening dinner entrees, our culinary team uses locally sourced ingredients to tailor a meal program to meet your needs.

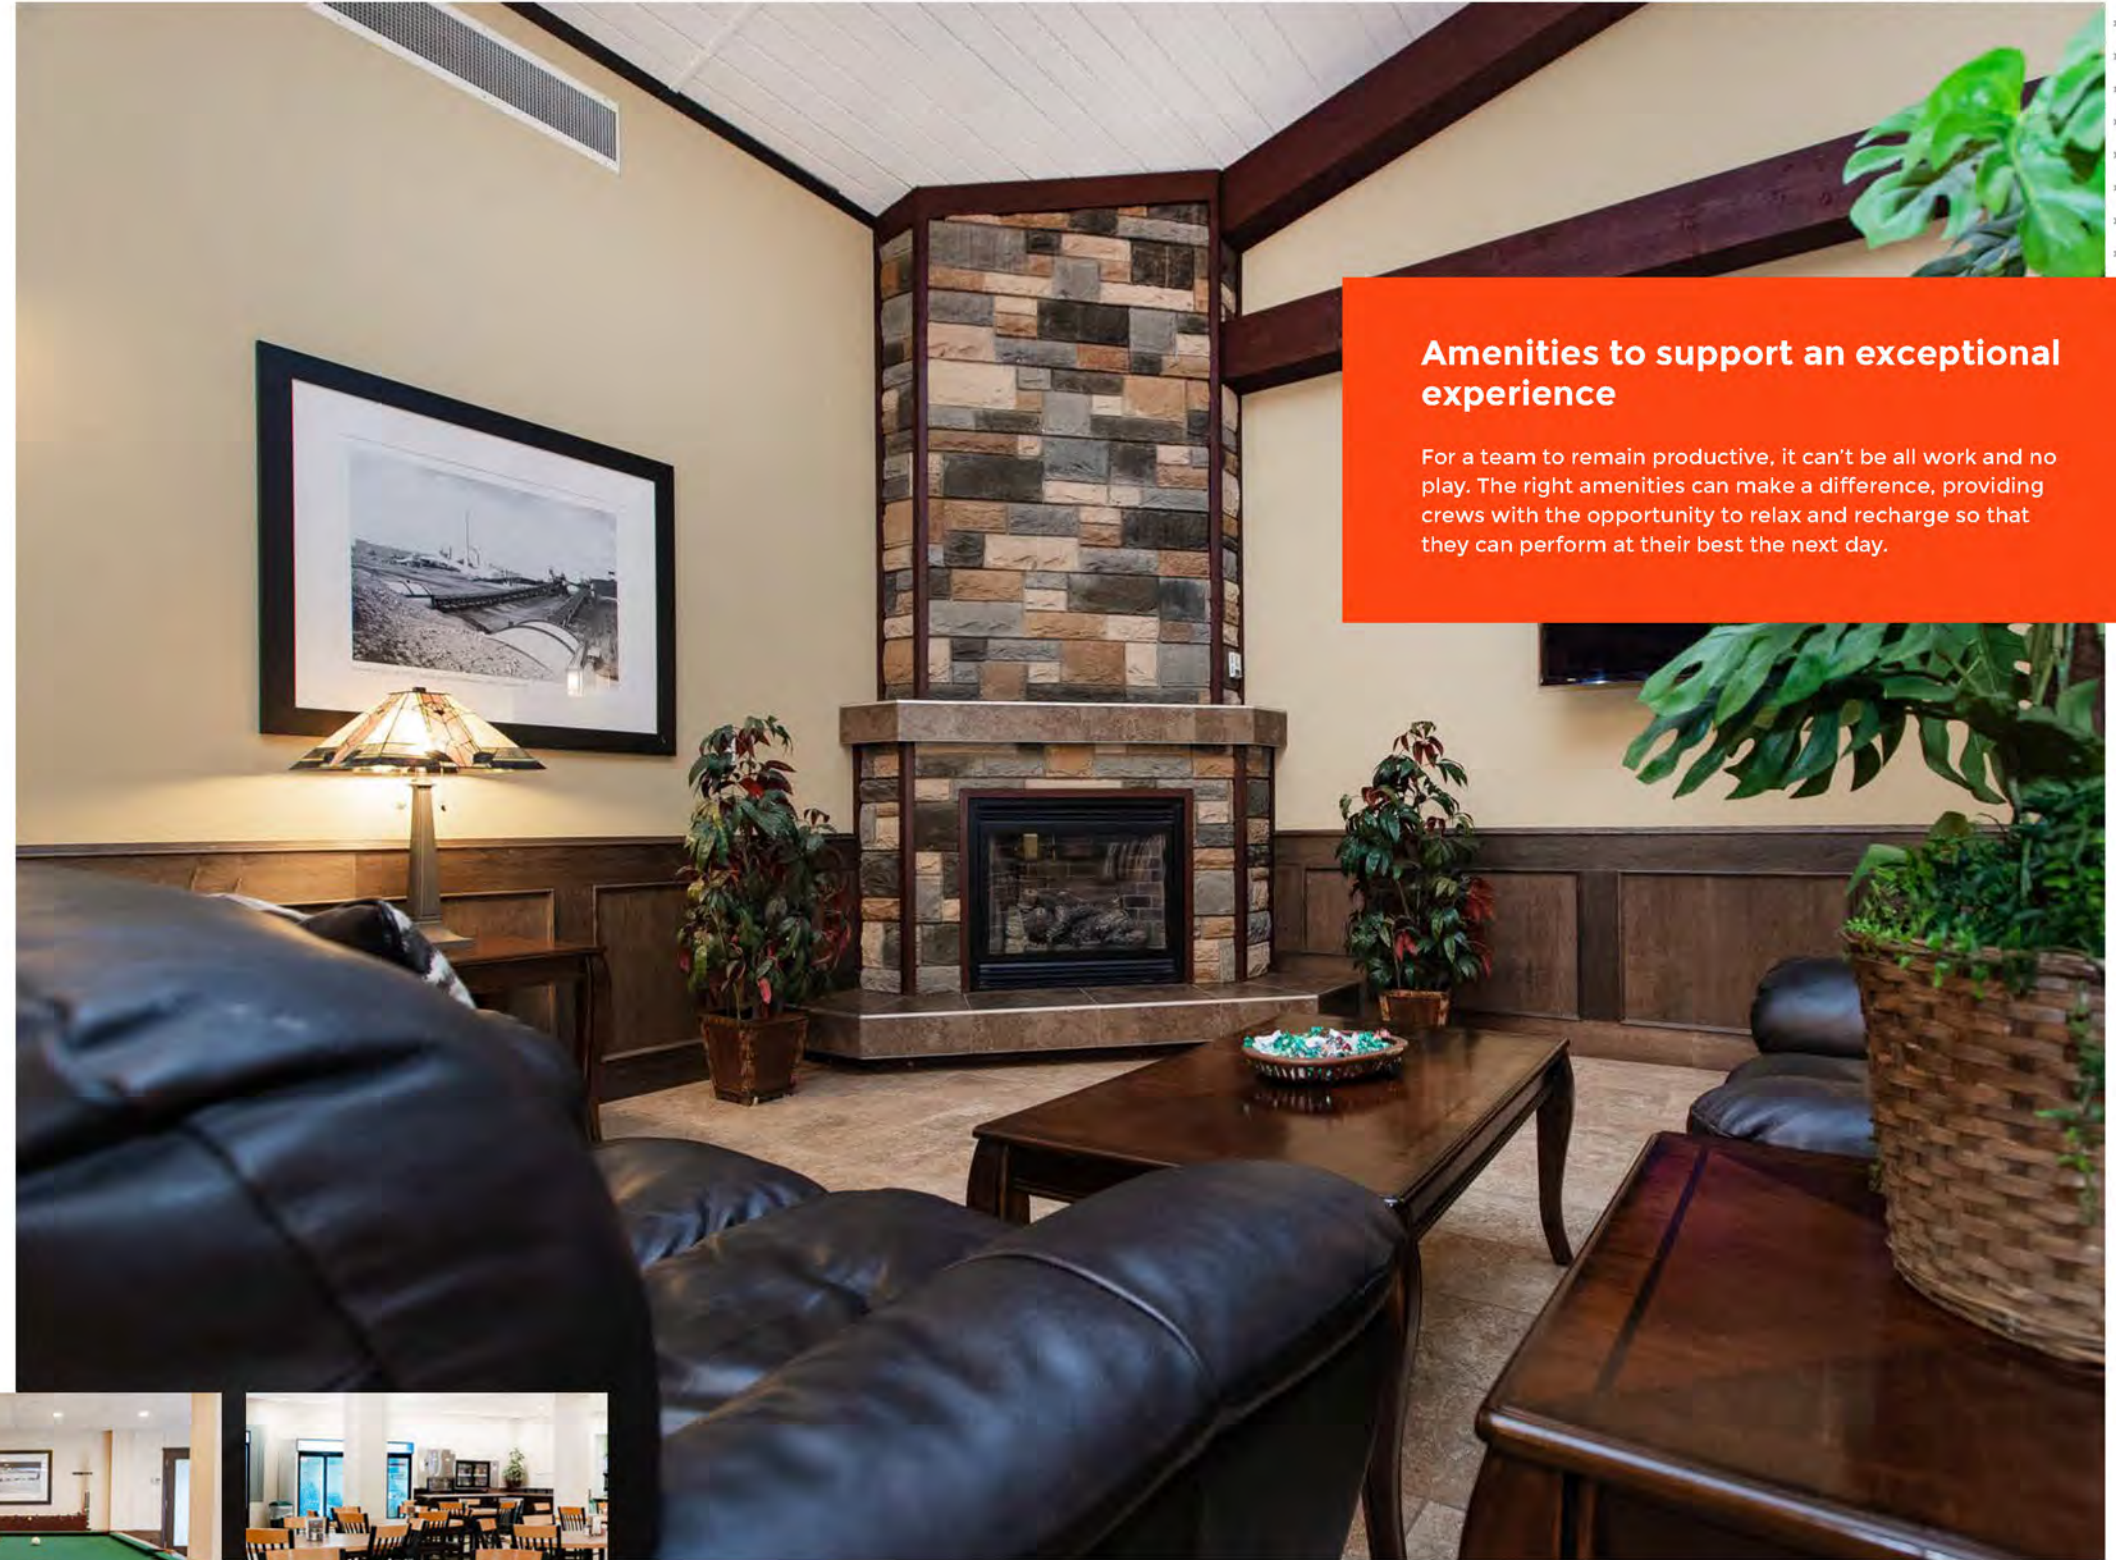

AMENITIES GALORE

The right mix to make it feel like home.

Every camp is different but, regardless of your needs, you want your employees and contractors to feel right at home. Amenities have a significant role to play in helping your teams get the rest they need to be productive on site.

We work with you to build the right mix of amenities that fit your budget and support your teams. Your options include:

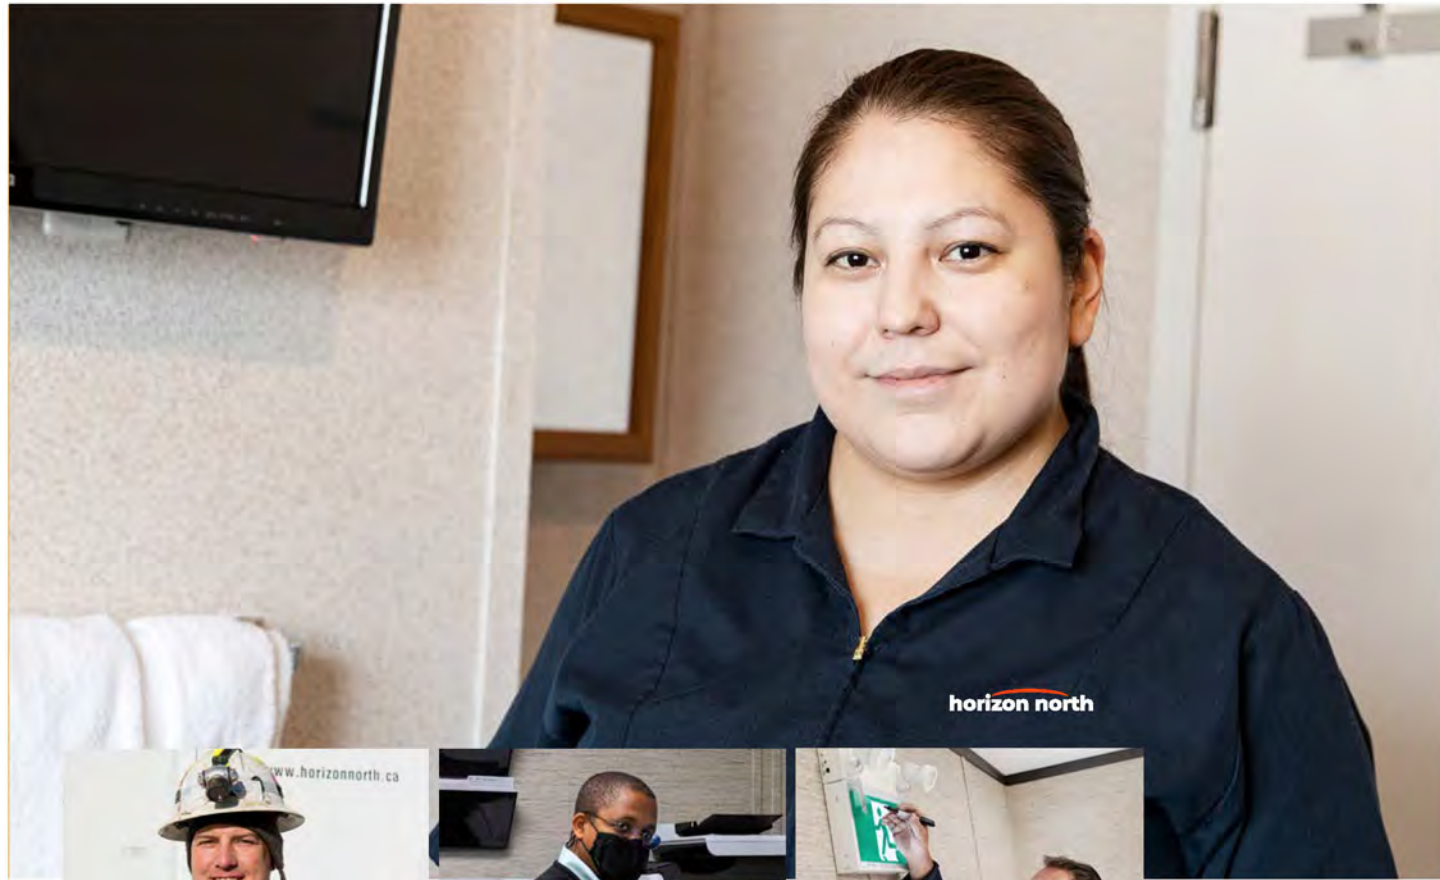

- State-of-the-art fitness facilities
- Recreational rooms
- Lounges and common areas
- Entertainment options
- Luggage storage
- Satellite TV
- And more

Amenities to support an exceptional experience

For a team to remain productive, it can't be all work and no play. The right amenities can make a difference, providing crews with the opportunity to relax and recharge so that they can perform at their best the next day.

Our safety record is the best indicator of our performance excellence.

SAFETY FIRST. AND ALWAYS.

When you're dealing with some of the harshest climates in the world, ensuring our employees and guests are safe is critical.

Horizon North's commitment to safety permeates across the company and we have established a leading health and safety culture; most recently we received a "Silver" award for Canada's Best Health & Safety Culture from Canadian Occupational Safety.

INCLUSIVE ABORIGINAL PARTNERSHIPS

Building strong relationships. Working collaboratively to achieve mutual goals.

Our commitment to the communities we serve is an important part of our set of values, and we are dedicated to building genuine, lasting relationships with our Aboriginal Communities, with more than 50 formalized agreements established across our regions. In addition, we are committed to hiring locally for the projects we serve. As an example, close to 60% of the staff at our Northern facilities are from local communities.
